BY BCBA****Applied Behaviour Analysis (ABA) Assessment Fee: \$400**

This is the first step in a Behavioural Intervention. An assessment includes:

- parent/caregiver interview
- direct observation
- summary report

Focused ABA Fee: \$60.00 to 80.00/hour

Focused ABA therapy works to reduce challenging behaviour and/or develop new skills. After assessment a recommendation will be provided by the Clinical Supervisor as to the needs of the child and family. Packages will be developed based on the recommendations that include:

- intervention/treatment
- parent training/generalization
- summary report

Comprehensive ABA Fee: \$75.00/hour

Children up to age 6 will receive one-to-one intervention. Programming is developed by a Senior Therapist. Process starts with an assessment [see above (\$400)] to ensure this is the right program for your child and suggest a level of intensity and duration. Program includes:

- programming
- progress reports
- parent training
