

Sabine Murphy

SIMCOE

Sabine joined the Board of Directors in June 2013.

Sabine grew up in Atikokan, a small mining town in northern Ontario. After graduating from Lakehead University in Thunder Bay with her nursing degree, she settled in Simcoe. This is where she met her husband Tom and they have two children, Michelle and Christopher.

Sabine is a public health nurse employed at the Haldimand- Norfolk Health Unit. She enjoys working with children and families and is on the school health team. Giving back to the community is important to Sabine and as a Board member she can contribute to making the lives of families better in Haldimand and Norfolk.
