Prenatal Classes

The Haldimand-Norfolk Health Unit is happy to offer our community a combination of online and in-person prenatal classes. The in-person program consists of three hybrid classes developed to enhance the information offered online. These classes are facilitated by a Public Health Nurse and will offer you even more practical information about labour and birth, breastfeeding, and life with a newborn. The classes will also allow you to practice the skills learned in the online program, have all your questions answered and to meet other expectant parents in your community.

The prenatal program is available to residents of Haldimand and Norfolk County.

To register for the online prenatal program go to: <https://hnhu.org/clinics-classes/prenatal-classes/>

To register for in-person Prenatal Classes call the Health Unit at 519-426-6170 (Simcoe) or 905-318-6623 (Caledonia). These are led by a Public Health Nurse and provided in partnership with H-N REACH EarlyON Child and Family Centres.
